^a Rank grass remaining on the land after the summer, or grass which grows among grain and is fed on by horses and cattle after the crop is removed.
<https://doi.org/10.1017/9781108810000.002>
^b This word is unclear.

^c Probably should be 'Ralph'; there is no contraction mark so it has not been expanded

^d Possibly an alternative spelling of 'Courtin', meaning an area of land around and belonging to a house
^e These marks or letters are possibly Thomas Bonner's mark
